

EXERCISE

CONCEPTS OF BUSINESS PROCESS MODELING

WORKFLOW PATTERNS

You find a description of control flow patterns at <http://workflowpatterns.com/patterns/control/>.

QUESTIONS

1. What is the difference between the patterns Exclusive Choice (XOR-Split) and Deferred Choice?
2. How are they represented in BPMN?
3. What is the difference between the patterns Synchronization (AND-join) and General Synchronizing Merge (OR-join)?
4. How are they represented in BPMN?
